

Roscoe's Chicken 'N Waffles files for bankruptcy

Mar 29th 2016 2:01PM

([KTLA](#)) - The parent company for Roscoe's Chicken 'N Waffles has filed for Chapter 11 bankruptcy protection, the [Wall Street Journal](#) reported.

The company owes about \$1.6 million from a jury verdict and \$1.5 million in attorneys' fees to a former employee who sued for discrimination and wrongful-termination in 2013, according to the newspaper.

The bankruptcy filing doesn't necessarily mean the restaurants will be closing however.

Companies often file for Chapter 11 bankruptcy in order to restructure their debts.

There are currently seven Roscoe's Chicken 'N Waffles locations; six in Los Angeles County and one in Orange County.

The original Roscoe's opened in 1975 in Long Beach.
